7	Motion Videos	Invite Code	Video Team
8	Special Campaigns (Monthly)	UTM + Invite Code	Marketing

1. DIVINE (WhatsApp Status / Contacts)

Tracking: Invite code only (no UTM needed - WhatsApp does not support UTMs natively)

Setup

DIVINE gets one master code or individual codes per contact. Each code tracks signups, deposits, and trades.

Field	Value
Code Format	DIVINE_XX
Example	DIVINE_01
Link	deexoptions.com/download?invite=DIVINE_01
Tracking	Which contacts signed up under DIVINE code

2. Digital Marketing (All Ad Platforms)

Platforms: TikTok, Meta (Facebook + Instagram), Google Ads, Twitter/X, Snapchat

Tracking: UTM parameters + invite code per campaign

UTM Structure

```
utm_source    = platform (tiktok, meta, google, twitter, snapchat)
utm_medium    = ad
campaign      = campaign_name (crypto_traders, gift_cards, etc.)
utm_content   = creative_id (optional)
```

Campaign	Platform	Link
Crypto Traders	TikTok	deexoptions.com/download?utm_source=tiktok&utm_medium=ad&utm_campaign=crypto_traders
Gift Cards	Meta	deexoptions.com/download?utm_source=meta&utm_medium=ad&utm_campaign=gift_cards
Bill Payments	Google	deexoptions.com/download?utm_source=google&utm_medium=ad&utm_campaign=bill_payments
Virtual Cards	Twitter	deexoptions.com/download?utm_source=twitter&utm_medium=ad&utm_campaign=virtual_cards
General	Snapchat	deexoptions.com/download?utm_source=snapchat&utm_medium=ad&utm_campaign=general

Optional Invite Codes for Ads

If you want to tie invite codes to specific ad sets, use format: ADS_PLATFORM_XX (e.g., ADS_TIKTOK_01). Append &invite=ADS_TIKTOK_01 to the link.

3. SEO Search

Tracking: UTM on CTA links in blog/content

UTM Structure

utm_source = google (or bing, etc.)

utm_medium = organic

campaign = article_slug

Content	Link
How to Sell Bitcoin	deexoptions.com/download?utm_source=google&utm_medium=organic&utm_campaign=sell_bitcoin
Best Gift Card Rates	deexoptions.com/download?utm_source=google&utm_medium=organic&utm_campaign=gift_card_rates
Pay PHCN Bill Online	deexoptions.com/download?utm_source=google&utm_medium=organic&utm_campaign=pay_electricity

4. Organic Signups

Tracking: None / Default

Definition

Direct app store search, word of mouth without code. No tracking needed unless you want a default code like ORGANIC for analytics.

5. Social Media (Bio + CTAs)

Platforms: TikTok, Facebook, X (Twitter), Snapchat, Instagram

Platform	Bio Link
TikTok	deexoptions.com/download?utm_source=tiktok&utm_medium=bio
Facebook	deexoptions.com/download?utm_source=facebook&utm_medium=bio
X (Twitter)	deexoptions.com/download?utm_source=twitter&utm_medium=bio
Snapchat	deexoptions.com/download?utm_source=snapchat&utm_medium=bio
Instagram	deexoptions.com/download?utm_source=instagram&utm_medium=bio

Post CTA Links

For individual posts, add utm_campaign parameter:
deexoptions.com/download?utm_source=instagram&utm_medium=post&utm_campaign=july_giveaway

6. UGC (User Generated Content)

Tracking: Invite code per creator

Field	Value
Code Format	UGC_CREATORNAME
Example	UGC_JOHNNY
Link	deexoptions.com/download?invite=UGC_JOHNNY
CTA	App Store / Play Store (direct install with invite code)

7. Motion Videos

Tracking: Invite code per video

Field	Value
Code Format	VID_VIDEOTITLE
Example	VID_CRYPTO_EXPLAINER
Link	deexoptions.com/download?invite=VID_CRYPTO_EXPLAINER
CTA	App Store / Play Store or Landing Page
Platforms	TikTok, YouTube, Instagram Reels, Facebook

8. Special Campaigns (Monthly)

Tracking: UTM + unique invite code per campaign

Field	Value
Frequency	Once a month
Code Format	PROMO_MONYY
Example	PROMO_JUL26, PROMO_AUG26

Campaign Links

Month	Campaign	Link
Jul 2026	July Promo	deexoptions.com/download?utm_source=campaign&utm_campaign=july2026&invite=PROMO_JUL26
